COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Sir:

In response to the Notice of Allowability mailed July 23, 2009, the applicant traverses the Examiner's statement of reasons for allowance to the extent it differs from a precise restatement of the actual complete claim language and applicant further traverses the Examiner's statement and reasoning insofar as they would lead to or suggest, if at all, an interpretation of the claimed invention different from the full extent of claim scope afforded by the established law in absence of the statement of the reasons for allowance.

Respectfully submitted,
